March 2010

Dear Members,

The Honda is here! The stands are up, our remote staging areas are in full swing, and in just a matter of days we will crown the Champion of the 2010 Honda Classic. But we can't forget our own Club Champions, Bill Hall who won the Match Play Championship and Steve Tarr who won the Men's Senior Club Championship. Congratulations to both great champions and to all who competed. The Ladies Championships will be crowned in March.

As a reminder:

- ✚ The 2010 Honda Classic will be played March 4 - 7, 2010 with practice rounds beginning on Friday, February 26, 2010, after noon.
- ✚ Restricted parking will begin on Monday, March 1, 2010. Any member with a starting time on property Monday, March 1 – Sunday, March 7, will need to have a valet pass that will be issued at the Will Call Office located at the Fire Station at Mirasol. **One parking pass will be issued per foursome** and can be picked up one day prior to the day of play. Will Call will be staffed Sunday, February 28 – Sunday, March 7, from 7:00 am until 5:00 pm.
- ✚ Our remote staging of carts and clubs began on February 22nd and we will get you back to normal departing from the staging area as soon as we can following the tournament.
- ✚ Accurate information on the tee sheets is vitally important. We are asking for your assistance in providing complete and accurate information on the tee sheet so we can effectively and efficiently transport players and equipment where they need to go. Lack of correct information will delay your day and result in frustration felt by many.
- ✚ Beginning Monday, March 1, members and their guests may register for golf on their respective starting tee. Only those paying cash will be asked to register in the Golf Shop.
- ✚ Since access will be restricted, we ask that any member playing the Estate Monday, March 1 – Sunday, March 7, remove your clubs from storage and keep them with you. Retrieving your clubs from storage during the restricted parking period can be quite cumbersome.
- ✚ A \$100 fee will be charged to any member who picks up a parking pass and subsequently does not play golf on the assigned day. To avoid the penalty, passes must be returned to Will Call no later than 9:00 am on the day of play.
- ✚ Members caught taking their carts out of bounds to deliver players or clubs home or those who take golf carts home will be suspended and face criminal charges. I hate to have to address this issue; however, we have wasted a great deal of time policing members who felt it was their right to behave in this manner. For the safety and protection of all, please do not take carts out of bounds. This applies year round; however, it is extremely important during this busy time.
- ✚ The Haig Range will be available for warm up March 1 – March 7. The Champion Range will close and be for the Tour Players Only beginning at noon on Friday, February 26. If you are playing the Squire, we will shuttle you from the Squire remote staging to the Haig Range and back.
- ✚ If you wish only to practice, we ask that you utilize the practice facility at the Estate Course.

It is an honor to host a PGA Tour event, and a huge undertaking to keep all of our golf courses in full operation during the event. We have had great success in the past with our valet pass, remote staging, and shuttle systems. We appreciate your support and your patience and we look forward to another very successful event. And once life returns to normal, we look forward to great weather and great golf for the remainder of our busy season.

Sincerely,

Jane Broderick  
Director of Golf Operations
